**Subject:** West Lake Landfill OU-1 October 2013 Groundwater Monitoring Report  
[West Lake GW Monitoring Report Oct 13 2-21-14.pdf](#)

A PDF file of the text, tables, and figures of the Groundwater Monitoring Report for the October 2013 monitoring event for the West Lake Landfill OU-1 is attached.

The report Appendices are not attached to this email because of their size. The Appendices will be transmitted via WE Transfer - you should receive an email from WE Transfer with instructions and a link regarding downloading the Appendices.

Paper copies are being sent to those indicated on the transmittal letter (pg. 1 of the attached PDF file). A CD containing the Appendices will be included with each paper copy.

Thanks,

Bob Jelinek

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could  
contain a computer virus which could cause harm to EPA's computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced  
into the EPA network. EPA is deleting all computer program attachments  
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you  
should contact the sender and request that they rename the file name  
extension and resend the Email with the renamed attachment. After  
receiving the revised Email, containing the renamed attachment, you can  
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at  
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
